I've made the changes. If it looks ok to you, this is the final for you to send to OGC. Let me know if there is anything else you need on this. Thanks, Lucita

Thanks, KC. I incorporated all your changes and addressed your comments. I had a couple of questions for you, though. Here is the latest, with the questions in the document.

KC – attached is the briefing doc we drafted for OGC. We will use it to brief you tomorrow. The 3 other briefing docs that you've gotten in the past are great for background, but this is the latest information and boils it down to the things you may want to know about. - Lucita
